

# IVEAGH UNITED F.C.

## WEBSITE SPONSORED AD APPLICATION FORM

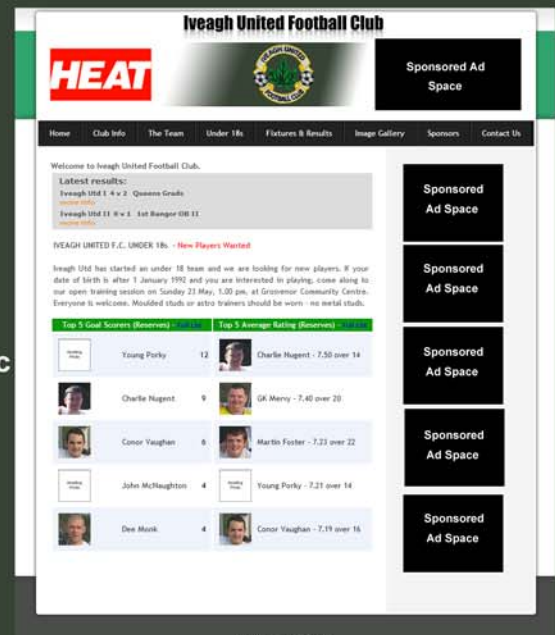

Iveagh United FC is a Belfast based amateur football team. The team was founded in the mid 1960s and has competed in the Northern Amateur Football League since its establishment. Iveagh Utd currently has 5 IFA/UEFA qualified coaches who take training sessions and coach the teams. Iveagh Utd has applied for intermediate status to push the club forward and will be creating a new under 18 team from next season - too many young players move away from the game and end up in bars, clubs etc on Saturday afternoons and week nights when they could just as easily become involved in amateur football.

To help fund this Iveagh Utd have opened up sponsored Ad space on their popular website for local businesses.

Each sponsored Ad will be an image/logo and link back to the sponsoring businesses website for a period of 12 months.

Local sponsored Ads are a great way of directing local customer traffic to your own website and will also increase your website ranking with search engines like Google and Yahoo.
